

WILMORE
ANGLICAN CHURCH

LIFE Groups

Living the Generous Order of the Church Year together
Integrated through multiple generations and seasons
Faith that grows in capacity for worship and trust
Easily Accessible for all - old & new to our church and our faith

Goal: Offering intergenerational groups of singles, couples, families* that help us grow in our relationships with God and one another through shared worship, study and prayer.

* childcare options for some groups – see back

Size: Everyone is invited (ideal group size of 10 - 15 people)

Commitment Level: People can join a group any time. These are not “heavy commitment” or covenant groups. Rather, they are open community groups that serve as a great first step into the corporate body life of WAC, as well as simple biblical discipleship ordered around our Lectionary Year.

Frequency: Every week (liturgical groups); or 2-3 times/month

Seasons: Each LIFE group meets during the school year, breaking for Advent & Christmas; returning in Epiphany and then breaking during the summer.

Meeting Format: 90 Minutes

- a. **Opening:** singing, greeting, fellowship, or light refreshments
- b. **Discussion/Reflection:** discussion regarding lectionary readings & homily reflections from previous Sunday (lectionary based groups)
OR -- *this year we are offering two extra LIFE groups with discussion focused on different matters* (see back for details!)
- c. **Response; Prayer:** wrap-up and prayer in response to discussion within the order of evening **Compline**.
